

USAFA Pinball

By C2C Jayden Randolph

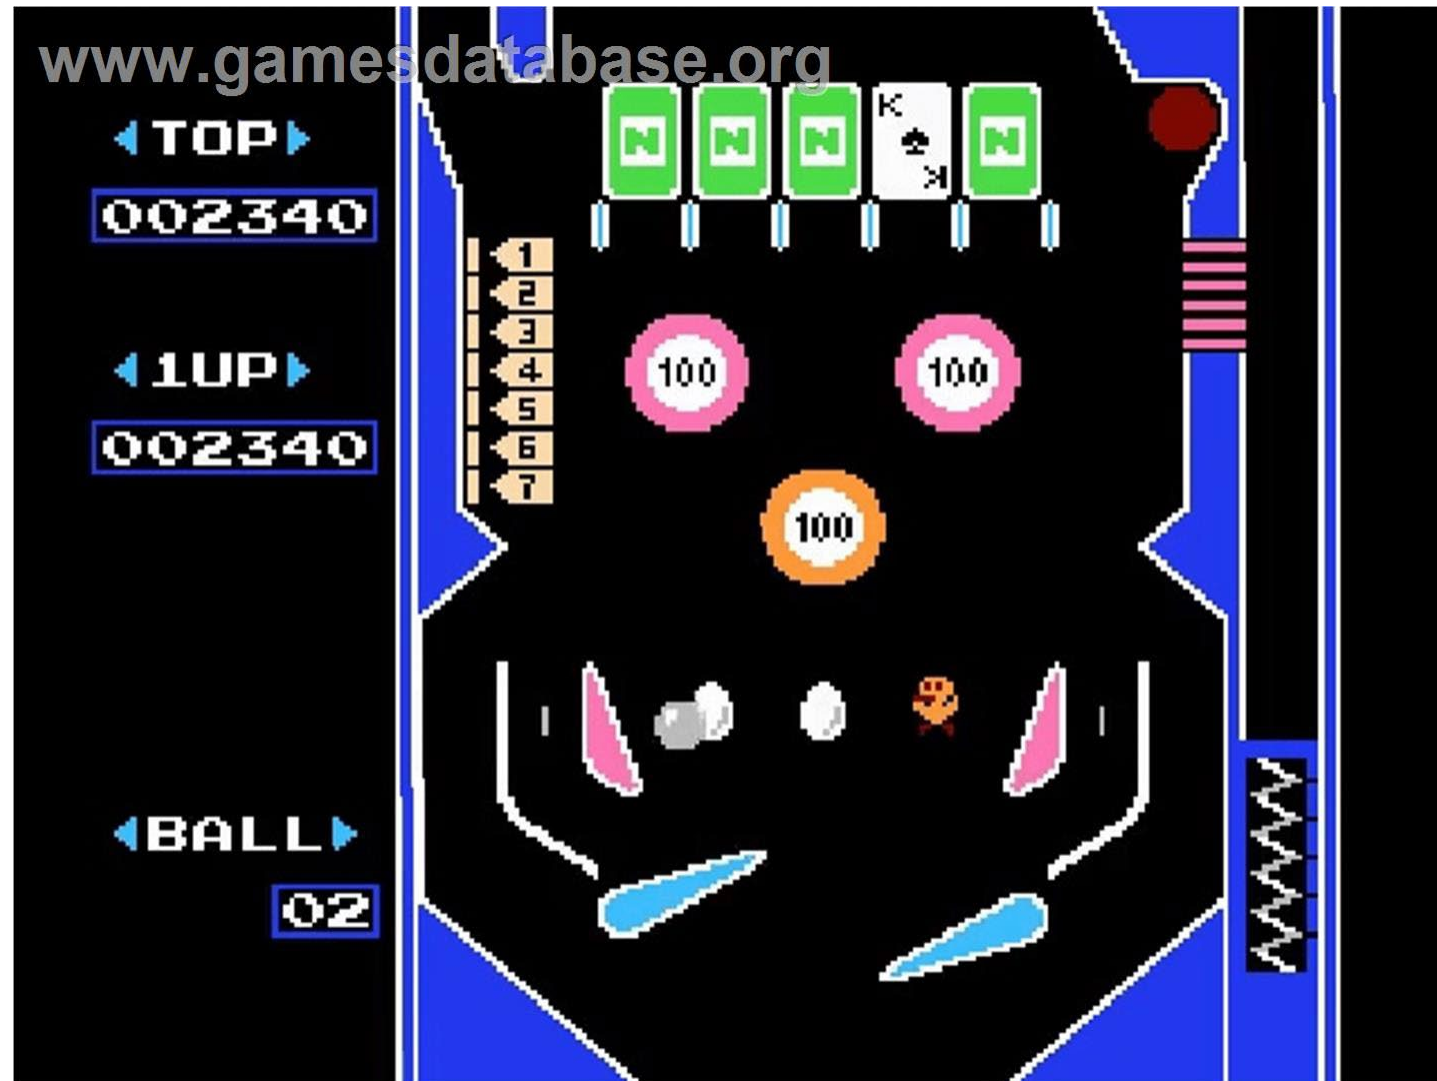

Problem: Lt Col
Trimble's Arcade
cabinet needs
games

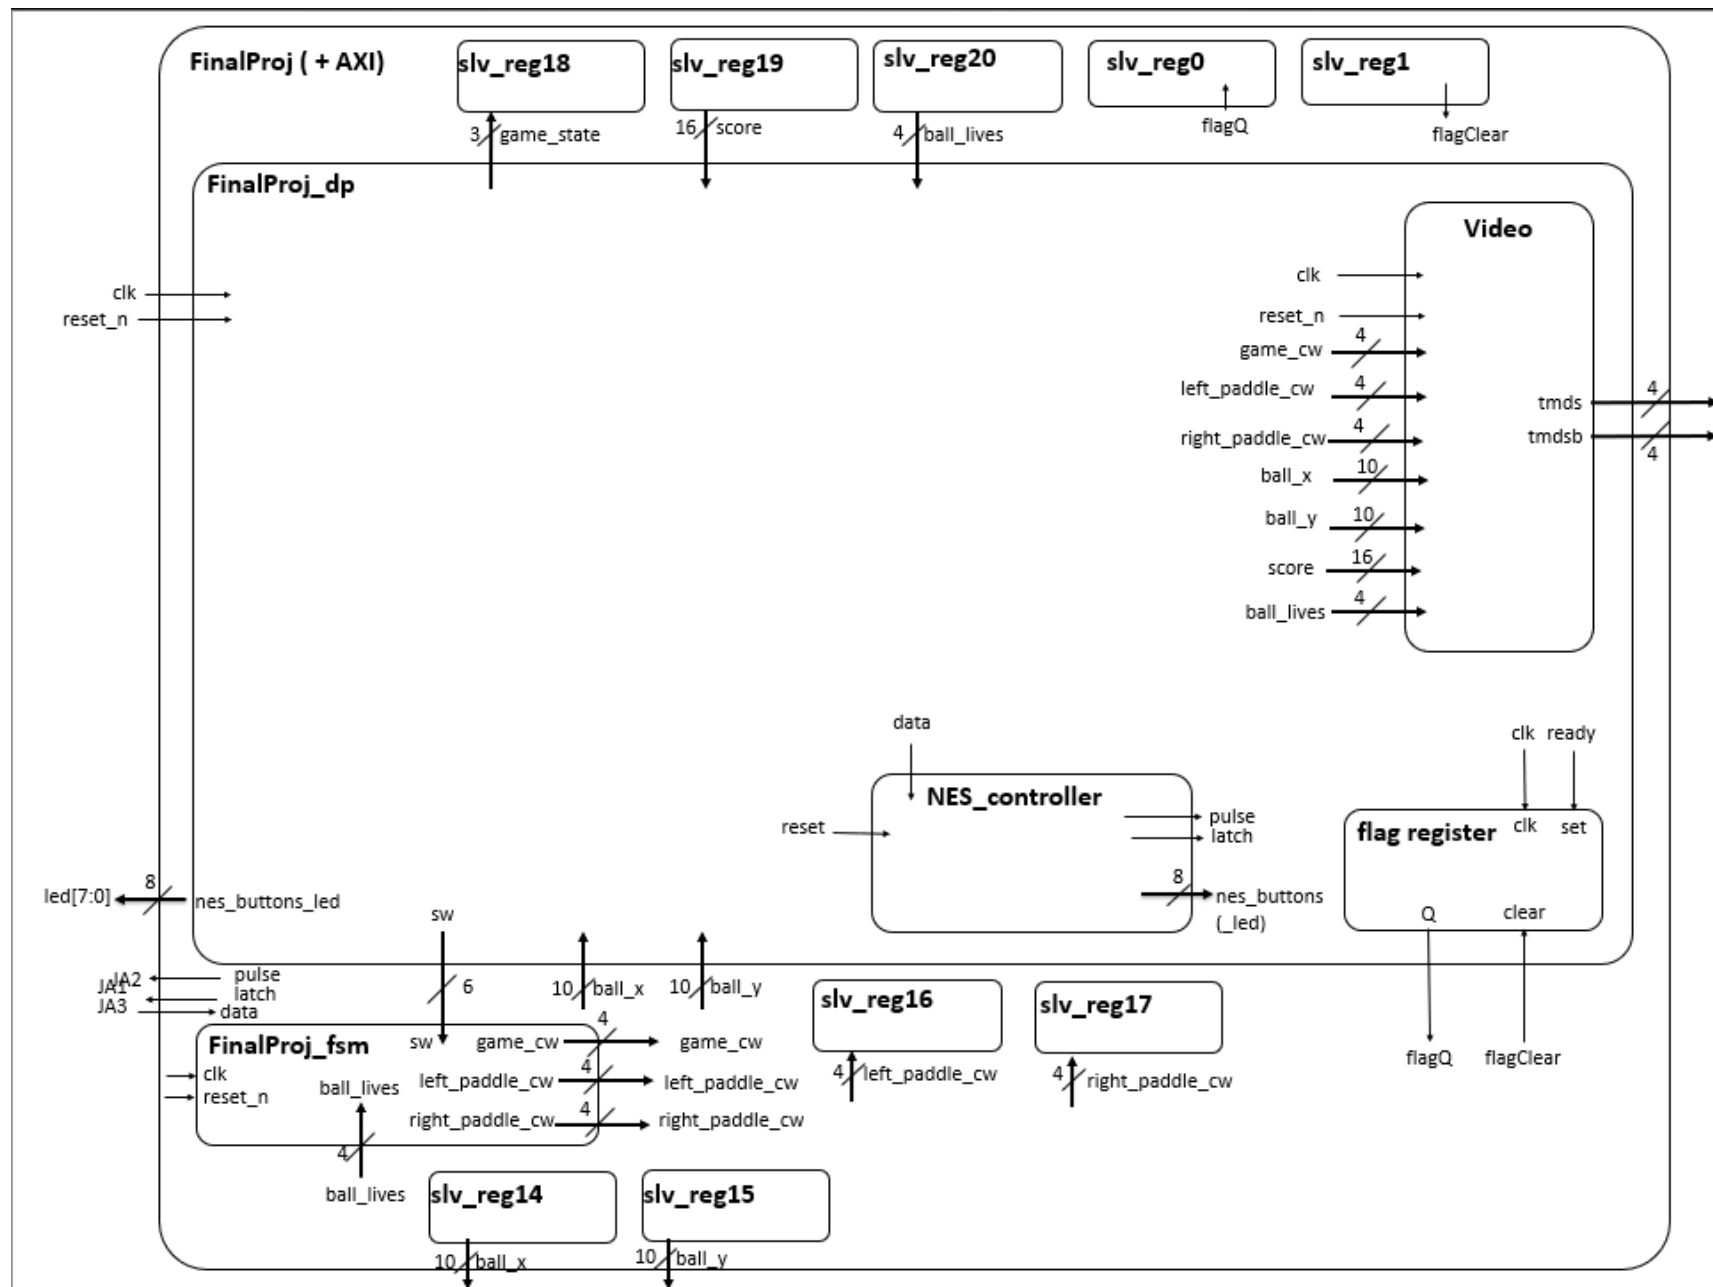

Solution: USAFA
Pinball!

Final Product

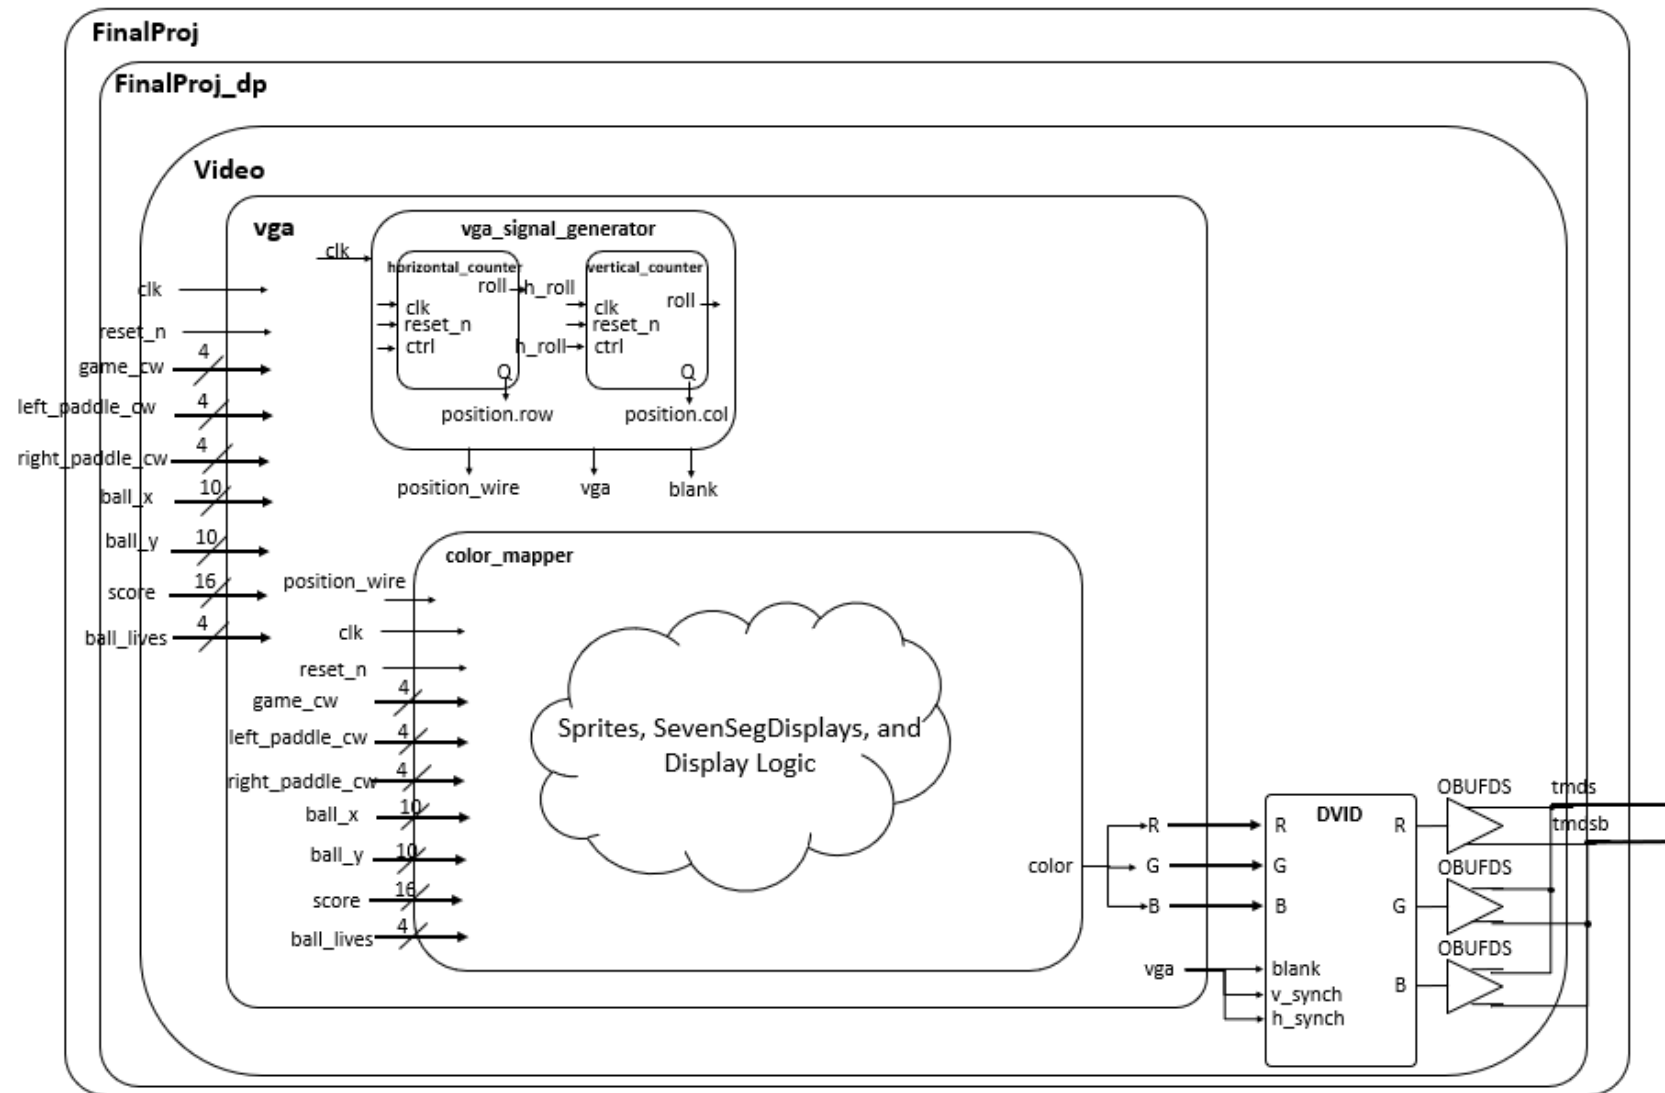

NES Pinball

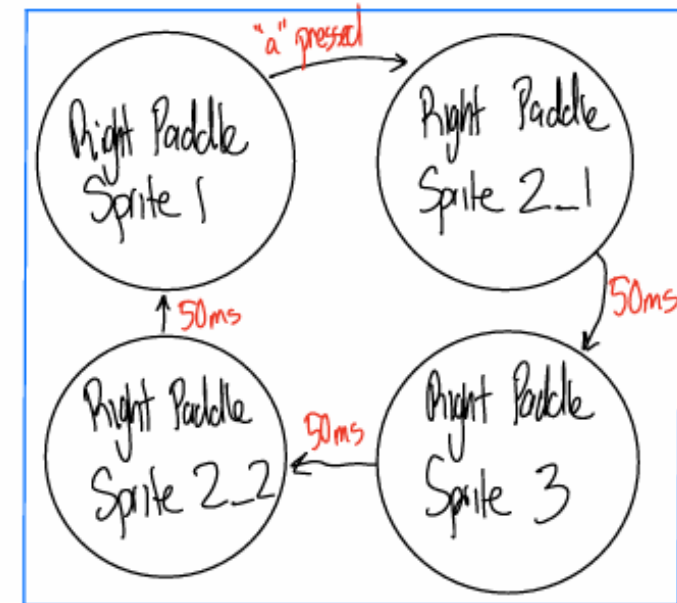

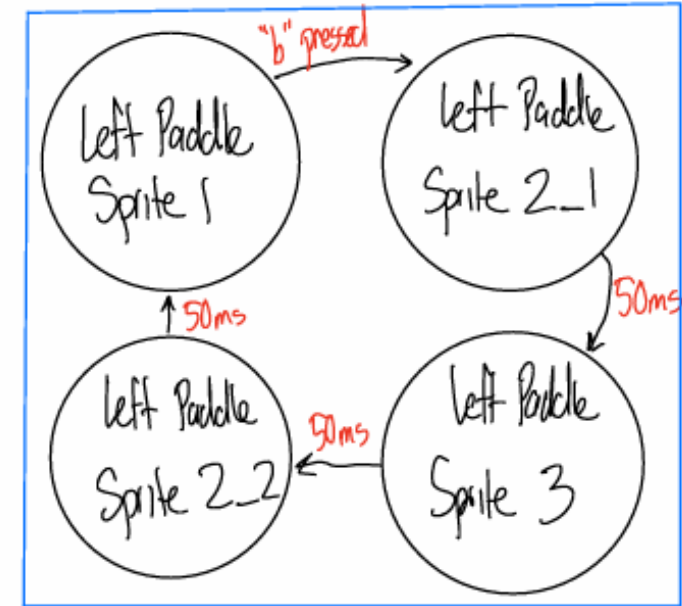

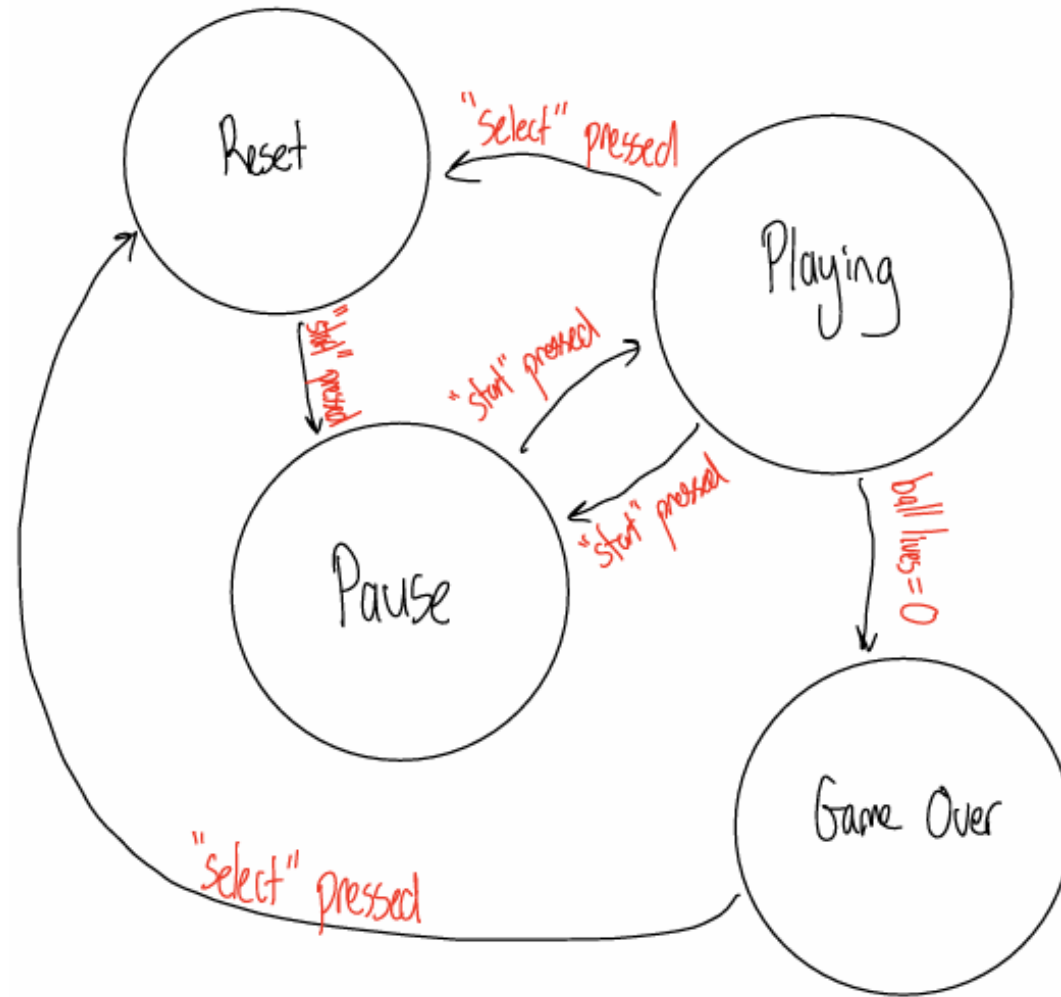

*same components as previous page; just broke into 2 images for clarity

If Playing:

Problems

- Coding first, thinking later
- FSM not triggering properly
- Wrong RGB values displaying
- NES controller timing
- Clunky pinball collision mechanics
- **TIME**
- Random Vivado errors
